

Pick-up by Someone Other than Parent or Legal Guardian

Please make sure that the camper knows who will be picking him/her up! If a child expresses surprise at the person awaiting him/her, we will need to be in contact with the parent listed on the application before the camper leaves the site. You may, therefore, wish to use this form even for a parent if the camper does not usually reside with that person. This form **must** also be used if an older sibling of the camper will be picking him/her up.
